

Aquatic Physiology and Biotechnology

Scientific Research Quarterly

University of Guilan

Vol. 3, No. 3, Autumn 2015

REFEREES

Reyhaneh Sariri	Professor, University of Guilan, Biochemistry
Mohammad Pourkazemi	Professor, Iranian Fisheries Science Research Institute, Molecular Genetics
Abdolali Movahedinia	Associated Professor, Khorramshahr University of Marine Science and Technology, Physiology
Nader Shabanipour	Associated Professor, University of Guilan, Zoology
Hossein Khara	Associated Professor, Islamic Azad University, Lahijan Branch, Fisheries
Bahram Falahatkar	Professor, University of Guilan, Aquaculture
Majid Askari	Assistant Professor, University of Bahonar, Marine Biology
Arash Shakouri	Assistant Professor, Chabahar Maritime University, Marine Ecology
Ali Bani	Associated Professor, University of Guilan, Ecophysiology
Ali Akbar Hedayati	Assistant Professor, Gorgan University of Agricultural Sciences and Natural Resources, Marine Biology
Berooz Heidari	Assistant Professor, University of Guilan, Marine Biology
Mahtab Yarmohammadi	Assistant Professor, International Sturgeon Research Institute, Genetics
Amir Parviz Salati	Assistant Professor, Khorramshahr University of Marine Science and Technology, Physiology
Mansour Afshar Mohammadian	Associated Professor, University of Guilan, Plant Ecophysiology
Azadeh Atabati	Assistant Professor, University of Hakin Sabzvari, Marine Biology
Negin Salamat	Assistant Professor, Khorramshahr University of Marine Science and Technology, Histology
Tooba Mirzapour	Assistant Professor, University of Mohaghegh Ardabili, Developmental Biology
Fatemeh Nazarhaghi	Ph.D. of Islamic Azad University, Science and Research Branch, Marine Ecology
Hossein Ghafouri	Assistant Professor, University of Guilan, Biochemistry
Shirin Shahangian	Assistant Professor, University of Guilan, Biochemistry

Hojatollah Zamani

Assistant Professor, University of Guilan, Microbiology

Mahdi Rassa

Scientific Member, University of Guilan, Virology

Zohreh Ramezanzpour

Assistant Professor, Iranian Fisheries Science Research Institute,
Planktology

Mohammad Sudagar

Associated Professor, Gorgan University of Agricultural Science and
Natural Resource, Fisheries

Aquatic Physiology and Biotechnology

Scientific Research Quarterly

University of Guilan

Vol. 3, No. 3, Autumn 2015

CONTENTS

Improvement of Growth properties, Survival, hematological-humoral immunity factors and intestinal bacterial density of brown trout (*Salmo trutta caspius* Kessler, 1870) affected by different levels of Beta-Plus as probiotic 1-28

S. Askarifar, M. Hedayatifard, H. Khara

Histopathological study of gill and liver of Epaulet grouper (*Epinephelus stoliczkae*) under the chromium effect..... 29-50

P. Sadeghi, O. Koohkan

Effect of dietary nucleotides on hematological and serum biochemical parameters of juvenile common carp (*Cyprinus carpio*).....51-62

T. Loukhi, M. Harsij, H. Kolangi Miyandareh, H. Ghafari Farsani

Protective effect of commercial prebiotic Immunogen on liver histopathological lesions of rainbow trout (*Oncorhynchus mykiss*) experimentally infected by *Aeromonas hydrophila* 63-81

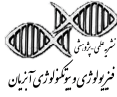

S.A. Hedayati, H. Ghafari Farsani, P. Gheshlaghi, E. Chardeh Baladehi

A metalloprotease molecular cloning and sequencing of *Anoxybacillus flavithermus* from Qinarjeh, Meshgin-Shahr, Iran 83-98

P. Najafi, M.R. Aghamaali, S.M. Asghari

Evaluation of antibacterial and antifungal activity in extracts of *Anabaena* sp. (Cyanobacteria) in Guilan wetlands99-111

R. Karimi, A. Norastehnia, J. Sarmad

Aquatic Physiology and Biotechnology

Scientific Research Quarterly

University of Guilan

Vol. 3, No. 3, Autumn 2015

Publisher: University of Guilan
Executive Director: Dr. Behrooz Heidari
Editor-in-Chief: Dr. Nader Shabanipour
Editorial Boards:

Reyhaneh Sariri	Professor, University of Guilan, Biochemistry
Masoud Sattari	Associated Professor, University of Guilan, Fish Disease
Mansour Afshar Mohammadian	Associated Professor, University of Guilan, Plant Ecophysiology
Ahmad Savari	Professor, Khorramshahr University, Ecophysiology
Mahmoud Bahmani	Professor, International Sturgeon Research Institute, Fish Reproduction
Mohamad Pourkazemi	Professor, Iran Fisheries Research Organization, Sturgeon Molecular Genetics
Samad Zare	Professor, University of Urmia, Zoology
Farhad Mashyekhi	Professor, University of Guilan, Cell and Developmental Biology
Zivar Salehi	Professor, University of Guilan, Molecular Genetics
Maryam Fallahi	Associated Professor, Iranian Fisheries Science Research Institute, Plankton Biology
Ali Asghar Khanipour	Associated Professor, Iranian Fisheries Science Research Institute, Industrial Fisheries Technology

Certificated by Scientific Journal Commission of Ministry of Science, Research and Technology with
No.: 3/18/194974, Date: Dec. 7, 2015

Pulication Perimision from Ministry of Culture and Islamic Guidance with No.: 92/19755, Date: Oct.
20, 2013

Publisher: University of Guilan, Vice President for Research
Address: The office of Journals, Faculty of Sciences, University of Guilan, Namjoo
St., Rasht, Iran.
