

**Aquatic Physiology and  
Biotechnology**  
Scientific Research Quarterly  
University of Guilan  
Vol. 3, No. 4, Winter 2016

**REFEREES**

<b>Reyhaneh Sariri</b>	Professor, University of Guilan, Biochemistry
<b>Mohammad Pourkazemi</b>	Professor, Inranin Fisheries Science Research Institute, Molecular Genetics
<b>Abdolali Movahedinia</b>	Associated Professor, Khorramshahr University of Marine Science and Technology, Physiology
<b>Nader Shabanipour</b>	Associated Professor, University of Guilan, Zoology
<b>Hossein Khara</b>	Associated Professor, Islamic Azad University, Lahijan Branch, Fisheries
<b>Bahram Falahatkar</b>	Professor, University of Guilan, Aquaculture
<b>Majid Askari</b>	Assistant Professor, University of Bahonar, Marine Biology
<b>Arash Shakouri</b>	Assistant Professor, Chabahar Maritime University, Marine Ecology
<b>Ali Bani</b>	Associated Professor, University of Guilan, Ecophysiology
<b>Ali Akbar Hedayati</b>	Assistant Professor, Gorgan University of Agricultural Sciences and Natural Resources, Marine Biology
<b>Berooz Heidari</b>	Assistant Professor, University of Guilan, Marine Biology
<b>Mahtab Yarmohammadi</b>	Assistant Professor, International Sturgeon Research Institute, Genetics
<b>Amir Parviz Salati</b>	Assistant Professor, Khorramshahr University of Marine Science and Technology, Physiology
<b>Mansour Afshar Mohammadian</b>	Associated Professor, University of Guilan, Plant Ecophysiology
<b>Azadeh Atabati</b>	Assistant Professor, University of Hakin Sabzvari, Marine Biology
<b>Negin Salamat</b>	Assistant Professor, Khorramshahr University of Marine Science and Technology, Histology
<b>Tooba Mirzapour</b>	Assistant Professor, University of Mohaghegh Ardabili, Developmental Biology
<b>Fatemeh Nazarhaghighi</b>	Ph.D. of Islamic Azad University, Science and Research Branch, Marine Ecology
<b>Hossein Ghafouri</b>	Assistant Professor, University of Guilan, Biochemistry
<b>Shirin Shahangian</b>	Assistant Professor, University of Guilan, Biochemistry

**Hojatollah Zamani**

Assistant Professor, University of Guilan, Microbiology

**Mahdi Rasa**

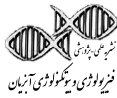

Scientific Member, University of Guilan, Virology

**Mohammad Reza Kalbasi**

Professor, Tarbiat Modares University, Fisheries

**Morteza Yousefzadi**

Assistant Professor, University of Hormozgan, Marine Biology

# Aquatic Physiology and Biotechnology

Scientific Research Quarterly

University of Guilan

Vol. 3, No. 4, Winter 2016

## CONTENTS

**The effect of *Oscillatoria* sp. cyanobacterium extract on MCF-7 breast cancer cell line and CASP3 gene expression** ..... 1-14  
F. Akbari, A. Salehzadeh, M.M. Forghani Fard

**Antioxidant and immune-stimulating effects of *Sargassum angustifolium* extract on the common carp (*Cyprinus carpio*) juvenile**..... 15-32  
S. Bita, N. Ghorbani Ranjbari

**Harvesting the biomass of single-celled microalga *Chlorella* sp. with Electro-Coagulation-Flotation method**.....33-49  
A. Mashhadinejad, R. Reihani, J. Sarmad, H. Zamani

**Observation of intersex in a hybrid of female Sterlet (*Acipenser ruthenus*) × male Beluga (*Huso huso*)** ..... 51-60  
B. Falahatkar, B. Meknatkhah, I. Efatpanah, A. Razavi Sayyad, M. Rahmati

**Impact assessment of potassium permanganate and copper sulfate on hematological and stress indices in *Acipenser ruthenus*** ..... 61-77  
M.T. Salakh Ghasemi, H. Khara, J. Jalilpour

**Evaluation of changes in the bacterial flora population of the grass carp (*Ctenopharyngodon idella*) intestine and skin under the influence of colloidal silver nanoparticles**.....79-94  
Z. Khorshidi, M.R. Kalbassi, S. Behrouzi

# Aquatic Physiology and Biotechnology

Scientific Research Quarterly

University of Guilan

Vol. 3, No. 4, Winter 2016

**Publisher:** University of Guilan  
**Executive Director:** Dr. Behrooz Heidari  
**Editor-in-Chief:** Dr. Nader Shabanipour  
**Editorial Boards:**

<b>Reyhaneh Sariri</b>	Professor, University of Guilan, Biochemistry
<b>Masoud Sattari</b>	Associated Professor, University of Guilan, Fish Disease
<b>Mansour Afshar Mohammadian</b>	Associated Professor, University of Guilan, Plant Ecophysiology
<b>Ahmad Savari</b>	Professor, Khorramshahr University, Ecophysiology
<b>Mahmoud Bahmani</b>	Professor, International Sturgeon Research Institute, Fish Reproduction
<b>Mohamad Pourkazemi</b>	Professor, Iran Fisheries Research Organization, Sturgeon Molecular Genetics
<b>Samad Zare</b>	Professor, University of Urmia, Zoology
<b>Farhad Mashyekhi</b>	Professor, University of Guilan, Cell and Developmental Biology
<b>Zivar Salehi</b>	Professor, University of Guilan, Molecular Genetics
<b>Maryam Fallahi</b>	Associated Professor, Iranian Fisheries Science Research Institute, Plankton Biology
<b>Ali Asghar Khanipour</b>	Associated Professor, Iranian Fisheries Science Research Institute, Industrial Fisheries Technology

Certificated by Scientific Journal Commission of Ministry of Science, Research and Technology with  
No.: 3/18/194974, Date: Dec. 7, 2015

Pulication Perimision from Ministry of Culture and Islamic Guidance with No.: 92/19755, Date: Oct.  
20, 2013
