

Aquatic Physiology and Biotechnology

Scientific Research Quarterly

University of Guilan

Vol. 4, No.1, Spring 2016

REFEREES

Reyhaneh Sariri	Professor, University of Guilan, Biochemistry
Mohammad Pourkazemi	Professor, Inranin Fisheries Science Research Institute, Molecular Genetics
Abdolali Movahedinia	Associated Professor, Khorramshahr University of Marine Science and Technology, Physiology
Nader Shabanipour	Associated Professor, University of Guilan, Zoology
Hossein Khara	Associated Professor, Islamic Azad University, Lahijan Branch, Fisheries
Bahram Falahatkar	Professor, University of Guilan, Aquaculture
Majid Askari	Assistant Professor, University of Bahonar, Marine Biology
Ali Bani	Associated Professor, University of Guilan, Ecophysiology
Ali Akbar Hedayati	Assistant Professor, Gorgan University of Agricultural Sciences and Natural Resources, Marine Biology
Berooz Heidari	Assistant Professor, University of Guilan, Marine Biology
Mahtab Yarmohammadi	Assistant Professor, International Sturgeon Research Institute, Genetics
Amir Parviz Salati	Assistant Professor, Khorramshahr University of Marine Science and Technology, Physiology
Mansour Afshar Mohammadian	Associated Professor, University of Guilan, Plant Ecophysiology
Azadeh Atabati	Assistant Professor, University of Hakin Sabzvari, Marine Biology
Negin Salamat	Assistant Professor, Khorramshahr University of Marine Science and Technology, Histology
Tooba Mirzapour	Assistant Professor, University of Mohaghegh Ardabili, Developmental Biology
Fatemeh Nazarhaghighi	Ph.D. of Islamic Azad University, Science and Research Branch, Marine Ecology
Hossein Ghafouri	Assistant Professor, University of Guilan, Biochemistry
Shirin Shahangian	Assistant Professor, University of Guilan, Biochemistry
Mahdi Rasa	Scientific Member, University of Guilan, Microbiology

Akbar Norastehnia

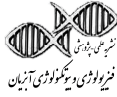

Assistant Professor, University of Guilan, Plant Physiology

Rohan Rakhshaii

Assistant Professor, University of Guilan, Chemistry

Hamid Reza Vaziri

Assistant Professor, University of Guilan, Cellular and Molecular
Biology

Aquatic Physiology and Biotechnology

Scientific Research Quarterly

University of Guilan

Vol. 4, No.1, Spring 2016

CONTENTS

Investigation of spermatological and biochemical parameters of seminal plasma in Sistan's loach *Schizothorax zarudnyi* Nikolskii, 1897..... 1-16
S. Arabnejad, I. Sourinejad, A. Afshari, M. Rigi

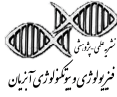

Evaluation of antimicrobial activity of different extracts of microalga, *Chlorella* sp., grown under autotrophic condition 17-32
A. Mashhadinejad, H. Zamani, J. Sarmad

Morphology of the sagittal otolith in *Liza aurata* (Risso, 1810) from coastal habitats of Caspian Sea southern basin.....33-48
M. Bamshad, M. Askari Hesni, A. Teimori, S.M. Madjzadeh

Effect of fish meal replacement with sunflower meal on growth, hematological indices and plasma biochemistry of common carp (*Cyprinus carpio*) fingerlings..... 49-68
K. Javid Rahmdel, H. Allaf Noverian, B. Falahatkar, A. Babakhani

Anticancer effects of *Laurencia caspica* extract on breast cancer T47D cell line..... 69-83
M. Shafaghi, A. Salehzadeh, A. Moshfegh

Modeling, kinetics and isotherm of lead biosorption by *Chlorella vulgaris*85-109
A.S. Naeemi, J. Sarmad, N. Mohseni, N. Chaibakhsh

Aquatic Physiology and Biotechnology

Scientific Research Quarterly

University of Guilan

Vol. 4, No. 1, Spring 2016

Publisher: University of Guilan
Executive Director: Dr. Behrooz Heidari
Editor-in-Chief: Dr. Nader Shabanipour
Editorial Boards:

Reyhaneh Sariri	Professor, University of Guilan, Biochemistry
Masoud Sattari	Associated Professor, University of Guilan, Fish Disease
Mansour Afshar Mohammadian	Associated Professor, University of Guilan, Plant Ecophysiology
Ahmad Savari	Professor, Khorramshahr University, Ecophysiology
Mahmoud Bahmani	Professor, International Sturgeon Research Institute, Fish Reproduction
Mohamad Pourkazemi	Professor, Iran Fisheries Research Organization, Sturgeon Molecular Genetics
Samad Zare	Professor, University of Urmia, Zoology
Farhad Mashyekhi	Professor, University of Guilan, Cell and Developmental Biology
Zivar Salehi	Professor, University of Guilan, Molecular Genetics
Maryam Fallahi	Associated Professor, Iranian Fisheries Science Research Institute, Plankton Biology
Ali Asghar Khanipour	Associated Professor, Iranian Fisheries Science Research Institute, Industrial Fisheries Technology

Certificated by Scientific Journal Commission of Ministry of Science, Research and Technology with
No.: 3/18/194974, Date: Dec. 7, 2015

Pulication Perimision from Ministry of Culture and Islamic Guidance with No.: 92/19755, Date: Oct.
20, 2013

Publisher: University of Guilan, Vice President for Research

Editor: Niloofar Haghi

Address: The office of Journals, Faculty of Sciences, University of Guilan, Namjoo
St., Rasht, Iran.

Tel & fax: (+98) 13-33333647
